Windows taskbar at the top shows the time as 12:05 on 26/05/2016. The browser window displays a video player with a video of a wheel of cheese rolling down a hill. The video progress bar shows 00:58 out of 05:18. Below the video, there are three radio button options: 7000, 11000, and 18000. The question text reads: "The cheese-rolling began in the town of Brockworth in the _____."

Below the video player, the text "Unit 5 / Lesson E Video Comprehension" is visible. The instructions state: "Click Play to watch the video. Then click the correct answer for each item. Complete all items. Then click Submit to check your answers."

The browser address bar shows the URL: myelt.heinle.com/ilm/resource/resource.do#assignment/course/1912180586/activity/539171531

Below the browser window, the application window shows "Unit 5 / Lesson E Video Comprehension". The instructions are repeated: "Click Play to watch the video. Then click the correct answer for each item. Complete all items. Then click Submit to check your answers."

The video player in this window shows a video of a wheel of cheese rolling down a hill. The video progress bar shows 00:29 out of 02:19. Below the video, there are three radio button options: 60 kilometers per hour, 40 kilometers per hour, and 20 kilometers per hours. The question text reads: "2. How fast can the wheel of cheese go?"

At the bottom of the application window, there are buttons for "Hide Answers" and "Submit". The Windows taskbar at the bottom shows the time as 12:05 on 26/05/2016.
